This grand residence is sure to turn heads. Set in a beautiful estate, amongst other quality homes, this one is really special. With a real country feel, touches of timber throughout and views of the hills and vines it's not to be missed.

The floorplan is ideal for multi-generational use with downstairs consisting of a large open plan kitchen and living space, two bedrooms, family bathroom and laundry. Upstairs houses a very large master suite, with impressive celebrity-style dressing room, walk through bathroom/ensuite, second living area and big 4th bedroom. The bathrooms are modern and bright, with big shower alcoves, rainheads, and a luxuriously deep bathtub downstairs.
