Built in 1981 and set in a highly sought-after location, this charming three-bedroom Torrens-titled home showcases original character and outstanding potential for modern updates or renovation. Positioned on a generous 800sqm allotment, it presents an exciting opportunity for first home buyers, investors, and developers alike.

A short entry leads into a generous front-facing lounge, enhanced by large picture windows that fill the space with natural light. Neutral carpeting complements a wide range of décor styles, while an open fireplace and zoned ducted reverse-cycle air conditioning provide year-round comfort.
