Opportunity knocks! Check out this cute little 1950s beach shack, set on a large, fairly level block of 890m² with a 18.3m frontage. Perfectly liveable the cottage has gas heating, evaporative cooling and loads of funky little features like real timber floors.

The possibilities are endless here. Keep the cottage for a while, whilst you plan your next move.

The location is perfect. Just a leisurely stroll to the famous Christies Beach foreshore. The Beach Road boutique shopping and cafe precinct is also close by. A few minutes
