4 Woodstock Avenue Christie Downs SA

2 1 2

This spacious, super neat and tidy home is set on a full-sized level block of around 680m². Well maintained, this home is ready for someone new to create their own memories here. Alternatively, rent it out whilst you plan your next move.

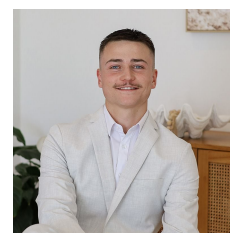

Raked ceilings and a light neutral decor provide a sense of space. A real feature is the enclosed carport which would make an impressive man cave, home gym or even a play area for the kids. The separate entry leads to a grand living and dining area, along with a neat original kitchen with plenty of cupboards. The bedrooms are of good size, the master has its own baby split system for heating and cooling. Built-in-robos to both bedrooms provide great storage. The bathroom has a full sized bath for soaking
