27 Aaron Avenue Darlington SA

4 2 2

Tucked away in a quiet, exclusive, relatively unknown pocket of Darlington - west of the expressway and right on the fringe of sought-after Seacombe Heights - this immaculately maintained 1996 custom-built split-level home is the kind of property buyers rarely see and even more rarely secure. Loved from day one by its original owner, it blends quality craftsmanship, clever design, and surprising versatility, all elevated by sweeping sea and city views that instantly set the tone. With multiple living zones, a flexible downstairs retreat, and a backyard built for fun and relaxation, this is a home that delivers lifestyle, location, and long-term value in equal measure.
