5 Paul Court Christie Downs SA

3 1

This neat and tidy three-bedroom home is a great option for first home buyers or investors looking for a low-maintenance property.

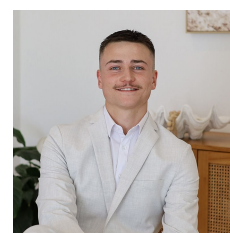

Freshly painted in neutral tones, the home is clean, simple, and ready to move into. It offers two living areas and secure off-street parking for a couple of vehicles.

All three bedrooms are a good size, with built-in robes to the master. The kitchen is neat and functional, with gas cooking and a meals area close by. The bathroom is bright and practical, with a full-sized bath and temperature-controlled hot water. There's a separate toilet and big laundry for added convenience. The formal lounge and huge living/rumpus room provide loads of options for families, with endless possibilities.
