7 Lucy Court Trott Park SA

3 1 1

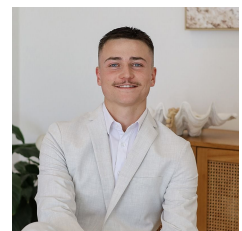

Tucked away in a quiet cul-de-sac, this well-maintained courtyard home offers comfortable, easy-care living in a wonderfully convenient location. Well-appointed throughout and filled with plenty of natural light, it's a home that feels welcoming from the moment you step inside.

There are three good-sized bedrooms, with the main bedroom featuring a walk-in robe and ensuite access to the family bathroom. The bathroom itself is thoughtfully designed with a large vanity, while the toilet and shower/bath areas are separate - a practical arrangement for busy households. Ceiling fans are fitted to all three bedrooms, while a reverse cycle split system keeps the home comfortable throughout the seasons.
