Some homes are simply different - and 28 Roundaway Crescent is definitely one of them. Full of retro charm, timber floorboards, established gardens and wonderfully individual spaces, this is a family home with personality, practicality and one very exciting surprise out the back.

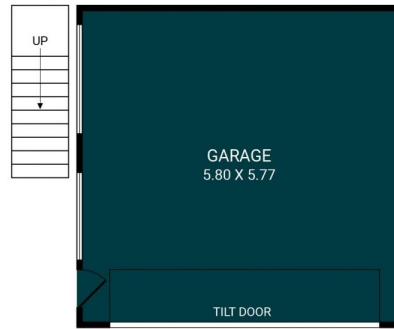

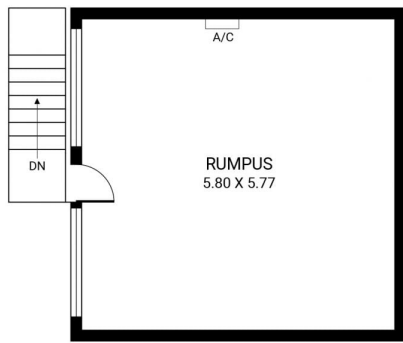

The three-bedroom home offers a relaxed, welcoming layout with ducted reverse-cycle air conditioning, combustion heater and beautiful timber floorboards throughout the main living areas. The renovated kitchen is well equipped with stone benchtops, puratap, dishwasher, gas cooktop and electric oven, overlooking the dining area where bi-fold doors open onto the front entertaining deck
